### Attendance Policy

Our course expects students to be on time for class, after breaks, and after lunch. Please let our faculty know if you will be late. Students are encouraged to have 100% attendance. However, we understand that students have important commitments outside of the classroom. Should extenuating circumstances impact attendance, students are permitted to miss class, provided they work with the course director to make up any missed hours. Students are to work with the course director for rescheduling missed hours to make up any course material they have missed. If a student needs to miss any training session, he or she must speak to the course director before the beginning of the session.

Absences may be made up where possible throughout the training sessions depending on module missed. Where this is not possible, absences may be made up if we have available teacher trainers and studio openings at the rate of £30 per hour. Students recognise that, if they miss training hours that they have not made up, they will not graduate from the program.
